MESSAGE FROM MANAGING DIRECTOR ON MAIIA'S 6TH ANNIVERSARY

My dear colleagues at Maiaa,

Congratulations on the 6th Foundation day of Maiaa Commodity Management Private Limited.

It has been a wonderful and eventful journey during these 6 years. The first 5 years of investment, hard work, sacrifice and some difficult decisions have finally paid off for the company, wherein we have turned the corner from a loss making, to a profit making company. We have witnessed significant growth in number of business, revenue, customers, locations, warehouses, AUM and number of employees. Time has flown past, but experiences are cherished and lessons are well learnt.

On this momentous day, I wish to thank each and every one of you for your contribution towards the success of this company. Just like single bricks are used to build a beautiful house, it is the sincere effort and dedication of each one of our employees which have resulted in building a solid foundation for this great company's future.

We have ambitious plans for the future growth of the company. With the demands of our customers in an evolving market, we need to change and adapt to customers' requirements. Such adaptations will involve a higher level of sincerity, professionalism and hard work from each one of us so that we can achieve our professional goals. Your achievement of these goals will result in career growth and consequentially success of the company.

Keep up the good work!

Regards,
Adrian de Souza
