Mother's Day is always celebrated on the second Sunday in May. It's not a federal holiday; however it's widely celebrated as a special day to honor all mothers and motherhood. Together, let's honor the women who raised us and all the mothers who sacrificed for.

Mother's Day History

Although the custom of setting aside a day to honor mothers has ancient roots, our observance of Mother's Day originated in 1907 with the efforts of a devoted daughter, Anna M. Jarvis of Philadelphia, who conceived the idea of an annual nationwide celebration. The public and the press quickly embraced the idea, and villages, towns, cities, and states soon began unofficial Mother's Day observances. On May 8, 1914, President Woodrow Wilson signed a proclamation designating second Sunday in May as Mother's Day, and within a few years, the idea gained worldwide prominence.

Rose for Mother

A man stopped at a flower shop to order some flowers to be wired to his mother who lived two hundred miles away. As he got out of his car he noticed a young girl sitting on the curb sobbing. He asked her what was wrong and she replied, "I wanted to buy a red rose for my mother. But I only have seventy-five cents, and a rose costs two dollars."

The man smiled and said, "Come on in with me. I'll buy you a rose." He bought the little girl her rose and ordered his own mother flowers. As they were leaving he offered the girl a ride home. She said, "Yes, please! You can take me to my mother." She directed him to a cemetery, where she placed the rose on a freshly dug grave.

The man returned to the flower shop, canceled the wire order, picked up a bouquet and drove the two hundred miles to his mother's house.

Moral: Life is short. Spend much time as you can with loving and caring people who love you. Enjoy each moment with them before it's too late. There is nothing important than family.

Dear Morish,

Many Thanks for your email and highly appreciate your services at Hazira.

Pls refer our telecon, as you know that the delivery orders has been already issued for 100% cargo. The balance cargo which is lying at port is already being sold to edelweiss against which DO from maiaa and hac:com has already been issued.

Since nothing much left there in a/c of Hactcom, therefore we had already withdrew our staff last week and request you to do the same.

Lets now focus on Mundra and Jaigarh and make it equally successful.

Once again thanks a ton to every memeber of Maiaa for successful execution and coordination of Hazira ops.

Kincest Regards
